

GENERAL INDEX

[Illustrated articles are indicated thus.* Editorial articles are indicated thus†]

A

Abandoned line, salvaging on L. & N.....

Accident:

Chesapeake & Ohio near Paintsville, Ky.
C. St. P. M. & O. near Northline, Wis.
Denver & Rio Grande Western near Echo, Colo.

Erie near Westcolong, Pa.

Northern Pacific near Big Lake, Wash.

Air Reduction Sales Company:

Arcowelding process.

Airco weld tester.

News items..... 38, 92

Trade publication.

American Asphalt Paint Co.

American Hoist & Derrick Co. 450, 672

American Lumber & Treating Co.

American Lumber & Treating Corp.

American Museum of Safety; honors section foreman.....

American Railway Bridge and Building Association:

Annual convention.

News items..... 228, 288, 341, 395, 447, 498,

American Railway Engineering Association:

Convention program.....

News items..... 38,

228, 288, 341, 395, 447, 498, 589, 669,

Report on jacking culverts

Report on effect of weed burners on treated ties.

Report on methods of mixing concrete.

Report on track grinders.

American Rolling Mill Company 398, 672

American Wood-Preservers' Association:

Convention report.

News items..... 38, 228, 341, 395, 669,

Arc-Welding sets; General Electric Company

Armo Culvert Manufacturer's Association 170

Armstrong Paint & Varnish Works..... 170

Associated Manufacturers' Agencies

Associations:

Conventions are educational.

Conventions point to better times.

Atchison, Topeka & Santa Fe:

Grooves ties for ribs of tie plates.

Modernizes water supply facilities.

Statistics on mixture-treated ties.

Trestle design revised.

Austin Manufacturing Company.

Austin-Western Road Machinery Co.

B

Ballast and Ballasting:

Cleaning ballast on Pennsylvania.

Correcting churning in stone ballast.

Interval between raises when renewing.

Methods of cleaning..... *144.

Power ballaster cleans cribs.

Preventing churning of pit run gravel.

Stone or gravel ballast.

Bethlehem Manufacturing Co.

Bethlehem Steel Company:

Bethanized wire.

News item.

Bonds, Signal; not used on M-K-T.

Book Review; Ives Tables.

Boston & Maine; switch heaters at North station.

Boxes, stone; see Culverts.

Bridge and Building Supply Men's Association:

Exhibit at B. & B. convention.

News item.

Bridges and Bridge Work; see also Concrete, Culverts, Paint and Painting.

Piles and Pile Driving, Trestles,

Welding and Cutting, Fire:

Driving rivets with bottled gas.

Grouting stone masonry piers.

Heartwood in bridge stringers.

Inspecting foundations.

Loose Rivets.

Plans for treated timber bridges.

Pointing stone masonry.

Programming B. & B. work.

Protecting steel floors from corrosion.

Protecting ties from fire.

Pulling drift bolts.

Purpose of camber.

Removing overhead bridge.

Replacing floor beams.

Replacing loose rivets.

Separate or combined gangs?

Tests of strings..... *148.

Treated timber for emergencies.

Treated timber for bolsters in steel spans.

Use of guard rails on.

Waterproofing deck of Starrucca Valley

Valley viaduct.

Bucyrus-Erie Company..... 450, 592

Buhl Sons Company..... 592

Building and Building Work; see also Concrete, Paint and Painting, Roofs,

Termites, Welding and Cutting:

Alters station to reduce upkeep..... *82

Annual inspections..... 164

Finish for wood floors..... 223

Insulation pays..... *621

Leakage at drainage opening..... 282

Meal worms in dock house..... *541

Must be kept safe..... 367

Pier deck of black gum..... *209

Platforms repaved under difficulties..... *17

Separate or combined gangs?

Standardizing hardware..... 655

What material for gutters..... 493

Bulkheads, fenders of scrap rail for..... *27

Byers Company, A.M. 292, 398, 592

*381

C

Canadian National:

Lengthens and strengthens turntables..... *480

Use of crib walls on..... *204

Carnegie Steel Company:

I-Beam-Lok armored slab..... *586

News items..... 98, 450, 592

Cars, Motor:

Fairmont A-37..... *285

Fairmont Type O engine..... *156

Improvements to Fairmont 59..... *495

Safety in operation..... *273

Caterpillar Tractor Co. 232

Cement Gun Co. 170

Century Wood Preserving Co., Inc. 170

Champion Machine & Forging Co.; pipe coupling..... *157

Channon Company, H. 398

Chesapeake & Ohio:

Air Distribution system for tampers..... *479

Cement-bound Macadam for shop runway..... *204

Derailment near Paintsville, Ky. 626

Rail-end welding on..... *318

Saws rail with modern equipment..... *21

Track awards..... 83

Chicago & North Western:

Eradicates meal worms in dock house..... *541

Oiling roadbed..... *374

Welding practices at Proviso yard..... *374

Rail-end welding on..... *429

Chicago, Burlington & Quincy:

Alters station to reduce upkeep..... *82

Maintenance work at terminals..... *484

Makes record run with Zephyr..... *368

Repairs 40-year-old viaduct by welding Chicago, Rock Island & Pacific:

Method selecting ties for renewal..... *424

Tests effect of weed burners on creosote in ties..... *329

Chicago, St. Paul, Minneapolis & Omaha:

accident near Northline, Wis. 436

Cleveland Pneumatic Tool Co. 170

Cleveland Pneumatic Tool Co. of Canada, Ltd. 170

Cleveland Tractor Company:

Front end loader..... *667

News items..... 98,

Colorado & Southern; Flood destroys line. *420

Compressors:

Gardner-Denver vertical..... *225

Oil engine drive for Ingersoll-Rand..... *495

Concrete:

Anchoring pipe posts in..... *424

Cement-bound Macadam for shop runway..... *707

Central or transit mixed?

High-early-strength in B. & B. work..... 385

Making repairs..... 648

Corrigan, McKinney Steel Company..... 592

Corrosion; protecting bridge floors from..... 721

Crane, new Harnischfeger..... 499

Crib Walls:

Advantages..... 160

When justified?

Crossings, highway:

Flangeways menace to safety..... 81

Grade separation to relieve unemployment..... 584

Gravel wall wells..... 653

Harnischfeger Corporation:

General utility crane..... *285

Trade publication..... 232

Hengyi Rail Anchor Company..... 42

Highways; carriers on prove poor sports..... *285

Hoosier Iron Works; threadless flexible pipe coupling..... 163

Houck Manufacturing Co. 592

Howe Scale Co. 170

Curves:

Economy of various materials for..... 639

Jacking methods..... *264

Open joints in pipe culverts..... 391

Repairing stone boxes..... 82

Computing spirals in string lining..... *77

Rail lubrication on..... *271

Rail wear on..... *535

Transposing rail on..... 393, 496

Cyclone Fence Company..... 170

D

Dams, earth; outlet pipe for..... 581

Delaware & Hudson:

Drives rivets with bottled gas..... *76

Track awards..... 83

Denver & Rio Grande Western; derailment near Echo, Colo. 629

Depression; lessons from the..... 651

Detroit Graphite Company..... 170

Diesel engines for pumping water..... 490

Drainage; see also Roadbed:

At switches..... 709

Overcoming slides..... *14

Reduces maintenance costs..... *72

Drainage Engineering Company. 398

Dressing track; see Ballast and Ballasting

Drought; see Water Service

E

Electric Railweld Sales Corp. 344

Embankments; see also Drainage:

Maintenance of..... *547

Repairing slides..... 160

Employment, influence of work equipment on..... *139

Erie:

Accident near Westcolong, Pa. 263

Pier deck of black gum..... *209

Scrap rail fenders..... *27

Track inspection results..... 24

Track layout made to order..... *378

Waterproof deck of Starrucca Valley viaduct..... *536

F

Fairbanks, Morse & Co. 398, 721

Fairmont Railway Motor:

A-37 motor car..... *285

Improvements to 59 Car..... *495

Model T-29 wood burner..... *154

New Type O motor car engine..... *156

Fences; anchoring pipe posts..... 336

Fire:

Protecting bridges from..... *19

Fireproofing bridge ties..... 494

Flanger signs, location of..... 662

Flood:

C. & S. line destroyed by..... *420

Effect on water supplies..... 33

Floors; see also Buildings and Building Work:

I-Beam-Lok construction..... *586

Forecast of 1934..... 113

Foreman, requirements of good..... 377

Frogs; advantages of self-guarded..... 222

G

Gage, incorrect guard-rail..... 33

Gardner-Denver Company; vertical air pressors..... *225

Gate City Iron Works..... 292

General Electric Co.:

Arc-welding sets..... *157

News item..... 721

Grinders:

Nordberg BG grinder..... *444

Nordberg Manufacturing Company improves its..... *151

Railway Track-Work grinders..... *444

Types in use..... *703

Grinding; see Rail

H

H. D. B. Corporation..... 232

Harnischfeger Corporation:
